"Whoever wishes to come after me must deny himself, take up his cross, and follow me."

(MARK 8:34)

When we truly believe that all we have is a gift from God, then we must be willing to give up some things so that we can share our blessings as God intended. Living a stewardship lifestyle means not only being responsible for our own life, but the lives of others as well.

**A Reminder of Three Favors:**

On behalf of myself, Deacon Jim and our parish staff I would like to remind everyone in our parish families of three favors that we ask from everyone:

**Announcements/Special Blessings/Speaking at Mass:** We as a parish do want to be able to share announcements and special blessing, things like parish dinners, meetings/events, milestone birthdays and anniversaries with our entire parish family. Along with this there are times when groups or individuals may want to speak at the conclusion of Mass. The difficulty comes when these things are brought to us shortly before Mass, at that moment it is hard for us to decide whether speaking at Mass is the best way to share the information.

To help with this, I remind everyone, please if you would like something announced at Mass could send it to the parish office by the Tuesday before you would like it announced. This way we can look at it and decide if it is something best placed in the bulletin or if indeed we should announce it at Mass. For groups or individuals who have a desire to speak at the conclusion of Mass if you could please contact me at least two weeks prior to the date you would like to speak so we can discuss if it is something that is appropriate for Mass or if there is another way to share the information.

**Asking things:** As I have mentioned previously at first glance this seems like an odd concern, "asking things." The favor we ask is if there is a non-emergency concern, idea or question you have, please bring it to myself, deacon, or our parish staff at the office or over the phone and not while walking in or out of Mass. The reason for this is simple, while I want to remember what people have mentioned to me all the time, with everything happening and talking with so many people during the time before and after Mass it is very easy for something that is mentioned to be forgotten. So please contact us at the office or over the phone. And please also, do not be offended if myself or deacon ask you to contact us with the same information at another time, we are asking so that we can be assured to remember what you have brought to us.

**Sick and Hospitalized:** The last favor that I again ask of everyone is two-fold and concerns the sick and hospitalized. First, if you are sick or in the hospital please contact the parish office so that we know. With current laws concerning patient privacy the hospital is limited in when they can contact us. Second, we as a parish family do a great job at sharing our support and praying for those among us who are ill and hospitalized, I again ask, that people would not approach myself, deacon or our parish staff with requests for details about what an individual's health concern is. Asking this puts us in the awkward position of trying to figure out what is public knowledge, what I have permission to share and what a person desires to keep private. I do understand the concern and care that revolves around the desire to know details, but one great thing about our faith and our God is that we do not need to know every detail of a situation in order to ask God in prayer to care for someone. So please do continue praying for those among us who are sick but also know that there is little information that myself, deacon or our parish staff will be able to share.

Peace and God Bless,  
Fr. Todd
