## 23<sup>rd</sup> Sunday in Ordinary Time

"Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?" (JAMES 2:5)

What is more important – being rich in faith or rich in possessions? Society teaches us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first in all things and realize that material things really don't matter and that it's more important to share with those who have less.

### Adoration Moment

"The Church and the world have a great need of Eucharistic worship. Jesus waits for us in this sacrament of love. Let us be generous with our time in going to meet Him in adoration and in contemplation that is full of faith and ready to make reparation for the great faults and crimes of the world by our adoration never cease."

Pope St. John Paul II

Feb. 24, 1980 - "Dominicae Cenae (On The Mystery And Worship Of The Eucharist)" Encyclical

# Share **YOUR** Faith

Support the Collection for the Church in Latin America

In rural Peru, like in many other countries, opportunities for the faithful to celebrate even the basic rituals of our Catholic faith are often few and far between. Frequently, children cannot receive the sacraments of initiation, and Mass cannot be held regularly. Without missionaries and catechists, the people living there cannot learn about, experience and share the beauty of our Catholic way of life.

Your support to the Collection for the Church in Latin America has helped the *Siervas del Plan de Dios* (Servants of the Plan of God) train lay people to become Catholic missionaries and catechists in parishes. The sisters have set up a missionary formation program as a step toward enlivening and sustaining the Catholic faith.

The sisters are trained professionals providing comprehensive services to their communities. Sr. Carmen

Cárdenas, general coordinator of the Servants, said that the education her sisters receive to become nurses, doctors, teachers, administrators, and psychologists helps provide the best services to the frailest and the poorest in the communities they serve. The sisters teach children and work in hospitals as doctors and nurses, caring for the sick and terminally ill, as well as caring for those who are living on the streets. Sometimes they are the only health practitioners in the area.

With your help, the sisters bring the love and tenderness of God to these remote areas and have shown people living in Peru the mercy of Christ.
