# CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

- **LEARN** about those living in poverty. • **ACT** and spread the word about poverty by passing along this flier.
- **CONNECT** with the work of CCHD by supporting the collection. • **PRAY** for those who benefit from this collection.

**T**oo many people in our country find themselves living in poverty, and the barriers to breaking this cycle can sometimes feel impossibly large. But when people join together to work for more just communities, change can happen. Our faith calls us to walk with our brothers and sisters who find themselves on the margins of society and empower them to create change in their communities. With your support to the Catholic Campaign for Human Development (CCHD), this kind of lasting change becomes possible. When you support the CCHD Collection, 75 percent goes to national projects that address the root causes of poverty and 25 percent stays here in our diocese to empower our local brothers and sisters living on the margins.

Stable housing is often one of the first steps for someone trying to break out of the cycle of poverty. In Portland, Oregon, the cost to rent an apartment or buy a property has increased beyond what is possible for low and moderate income families. This has created a housing crisis leaving many people unable to find an affordable place to live. But with your support, working families can afford to live in their community and their homes

can remain affordable for generations to come. Through homebuyer support provided by CCHD funded groups, over 330 low and moderate income people now have homes and financial stability, bringing lasting change to their lives.

In addition, your support provides training for people to gain tools for community organizing and opportunities for leaders to bring these issues to the public arena. With your help, residents have advocated for tenant protections and increased housing availability in their community.

The Catholic Campaign for Human Development (CCHD) allocates funds to community projects that promote the mission and vision of CCHD while adhering to the moral and social teachings of the Catholic Church.
