***Prayer Garden Cleanup & Potluck***

The pandemic has affected so many things...one of which, sadly, is the condition of our parish Rosary Prayer Garden. The work needed is beyond what a couple of ladies can do on their own, so we're scheduling a parish Prayer Garden cleanup day on Saturday, June 26th, beginning at 9:00am and followed by a potluck.

**Some of the Jobs we need your help with:**

- ♦ *Straighten the Stone Altar—Tractor, jacks and blocking needed*
- ♦ *Tree Trimming—loppers and trimmers needed*
- ♦ *New Mulch applied—gloves helpful*
- ♦ *Fountain set up—strong blocks desired*
- ♦ *Misc. Weeding and trimming—willing hearts welcomed*

Rain or shine!

Hope to see you there.
