3rd Sunday of Easter

"Jesus himself stood among them and said to them, 'Peace be with you.'

'But they were startled and frightened...' - Luke 24:36-37

Throughout the day we have many opportunities to "see the face of Jesus" in others and to "be the face of Jesus" to others. Do we take that opportunity to provide "peace" to those we encounter or are we afraid of what others will think of us and do nothing? Pray for the strength and courage to live a "God-centered" life and not a "self-centered" life.

Eucharistic Adoration

Eucharistic Adoration was one of Mother Teresa's primary spiritual habits. Spending time with Jesus in the Eucharist was an essential part of what made her who she was. It is a habit she shared with almost every saint who has ever lived. The world was obsessed with the power and magnetism of her goodness, and yet, the world ignored the source of the holiness she manifested everywhere she went.

How would your life change if you spent an hour each day before the Blessed Sacrament? Try not to dismiss the question. I realize that for most people this is not possible, but consider it for a moment anyway. How would your life change? Get lost in that reflection for a few moments. Think on it as you go about your day.

Now, consider this. What is possible? One hour a week? One hour each month? 10 minutes each day? Because whatever is possible, you should grasp it and allow the power of the Eucharist to pour into your soul.

It has been observed that people emulate the five people they spend the most time with for better or worse. Make Jesus one of those five people. Spending time in the presence of Jesus in the Eucharist will transform you and your life in ways you cannot even begin to imagine.

Excerpts above are from the book: [33 Days to Eucharistic Glory](#) which is available on Audible.

Eucharistic Adoration is held on the 4th Sunday of the month beginning after Mass and continuing until 2pm. Adoration in the Tabernacle is open anytime you have a chance to stop in.
