### DID YOU KNOW?

When asked what could we raise money to help support in your home area?

Father Christon said, "Give children that are too poor an opportunity to attend high school!"

## 15th Sunday in Ordinary Time

“He instructed them to take nothing for the journey but a walking stick  
— no food, no sack, no money in their belts.” Mark 6:8

Imagine taking nothing but a stick when you go on a trip. The Apostles must have really trusted in God’s providential care. Think of all the material things “we can’t live without” in today’s world. We make our life’s journey more difficult because of all the material baggage that we drag along. Putting God first in everything and putting our money and possessions second gives us freedom because we don’t become “slaves” to wanting to acquire more things.

### Looking for your HELP

For the past year Father Christon has been working from a laptop. He would love to have the capability of working at his desk by plugging the laptop into a docking station. This would give him the ability to use a desk keyboard and a mouse that he can roll around on the desk and a bigger monitor making it easier to see, (remember he just turned 50...ha ha). You can help make this dream a reality for Fr. Christon. Our IT guy is currently out in the great woods of The Boundary Waters of MN, however, when he gets back, he can help give us recommendations and price quotes on a nice “Docking Station” for the priest’s office here at St.

Mary’s. An estimated guess, it will cost around \$400 to \$600. If you would like to make a donation to this, please place it in an envelope with your name and title it: **Docking Station**.

To donate online: <https://stmaryschurch25.flocknote.com/give/20074>

\*If we end up with money left over from this, it will be placed in the Office Computer Fund.

# Eucharistic Revival Update

**EWTN will be live streaming the Main Stage speakers in the evening during the Congress. Please visit the website to see the schedule of the speakers:  
[www.eucharisticcongress.org/schedule](http://www.eucharisticcongress.org/schedule).**

We are all called to evangelize, and thanks to the gift of the Holy Spirit, we are well-equipped for this mission. It may not mean spreading the Gospel in a foreign land or going door-to-door with the Good News—and it may require overcoming some fears—but the Lord is asking each of us to step out of our comfort zone and evangelize one-on-one.

There is someone in your life *right now* whom Jesus longs to call to himself. He wants to spark a relationship with them and bless them with his sacraments. In this Year of Mission, Catholics across the U.S. are saying “yes” to a special form of heart-to-heart accompaniment called **the Walk**

## **With One initiative.**

This is your opportunity to be God’s instrument in the life of another person. Imagine how our families, neighborhoods, and country will be transformed if every active Catholic answers this call!

## **Holy Hours An Invitation from Bishop Robert Barron**

With the conclusion of the first-ever National Eucharistic Pilgrimage and the rebirth of the National Eucharistic Congress tradition, July is an important month for the National Eucharistic Revival movement. But it is not the end. We still have a full Year of Mission ahead, and we believe the Lord will continue to move the hearts of his people well into 2025 and beyond. This movement has already touched many souls. RCIA numbers are increasing in many parishes, and active Catholics are discovering greater depth in their Eucharistic faith. With so many souls at stake, the enemy does not want the Eucharistic Revival to continue. Our partners at Word on Fire had the beautiful idea to spiritually support the Eucharistic Revival movement with Holy Hours!

We humbly ask you to participate by offering a Holy Hour for the Eucharistic Revival, particularly this week as the National Eucharistic Pilgrimage comes to a close and we gather for the Congress in Indianapolis. Join us as we call upon heaven for more grace, more laborers for the Kingdom, and more fruit in the years to come.

Catholic means universal. When a movement like the Eucharistic Revival makes waves in one country, it impacts the whole Body of Christ! Bishop Barron would like to personally invite YOU to join Catholics from around the world in supporting this powerful movement with your prayers.
