2nd Sunday of Lent

"I am the Lord who brought you from Ur of the Chaldeans to give you this land as a possession." - Genesis 15:7

Just as the Lord gave Abraham, Moses, and the Israelites a land to possess, He has also given each of us a home. Whether your home is grand or humble, it is a gift from God. Abraham prepared a great sacrifice to the Lord in gratitude for the home God gave him. How do you show your gratitude to God for the home He has given you? Do you make a sacrifice of any kind? Do you return any of your finances to God, investing in your eternal home just as you invest in your earthly home?

Happy Birthday wishes!

SAINT OF THE MONTH MARCH – ST. JOSEPH

Joseph has two feast days: March 19th, and May 1st (the feast of St. Joseph the Worker). He was Jewish, the son of Jacob and descended from King David, and worked as a carpenter. A man of deep faith, he was open to receiving messages from God in dreams, dedicated to doing God's will, and compassionate toward his betrothed.

He is regarded as patron of the Universal Church, as well as of many causes including workers, fathers, and a happy death, due to the tradition that he died in Jesus' and Mary's arms.

Way of the Cross

Every Friday of Lent at Sacred Heart 3:00pm

(Also called Stations of the Cross, Via Crucis, and Via Dolorosa). These names are used to signify either a series of pictures or tableaux representing certain scenes in the Passion of Christ, each corresponding to a particular incident, or the special form of devotion connected with such representations.

Taken in the former sense, the Stations may be of stone, wood, or metal, sculptured or carved, or they may be merely paintings or engravings. Some Stations are valuable works of art, as those, for instance, in Antwerp cathedral, which have been much copied elsewhere. They are usually ranged at intervals around the walls of a church, though sometimes they are to be found in the open air, especially on roads leading to a church or shrine. In monasteries they are often placed in the cloisters. The erection and use of the Stations did not become at all general before the end of the seventeenth century, but they are now to be found in almost every church. Formerly their number varied considerably in different places but fourteen are now prescribed by authority. They are as follows:

Christ condemned to death ;

The cross is laid upon him;

His first fall;

He meets His Blessed Mother;

Simon of Cyrene is made to bear the cross;

Christ's face is wiped by Veronica;

His second fall;

He meets the women of Jerusalem ;

His third fall;

He is stripped of His garments;

His crucifixion;

His death on the cross;

His body is taken down from the cross;

His Body is laid in the tomb.

The object of the Stations is to help the faithful to make in spirit, as it were, a pilgrimage to the chief scenes of Christ's sufferings and death, and this has become one of the most popular of Catholic devotions. It is carried out by passing from Station to Station, with certain prayers at each and devout meditation on the various incidents in turn. It is very usual, when the devotion is performed publicly, to sing a stanza of the "Stabat Mater" while passing from one Station to the next.
